

# FRIENDS OF SOUTH BUXTON CEMETERY

We are thankful for each of you who think of us as part of your gift-giving. The Friends of South Buxton Cemetery Association Account is used to beautify and improve the cemetery, also to bring our endowment fund to a healthy level. Gifts are offered in memory of a loved one, as thanks for helping with genealogical research, or just because you care.

## NEVER TOO EARLY TO CONSIDER...

## WREATHS ACROSS AMERICA

*Saturday, December 16, 2023*

*South Buxton Cemetery*

*1187 River Road, Buxton ME 04093*

*Placement of wreaths throughout cemetery 9:00 AM*

*Memorial Wreath Ceremony 11:45 AM (Woodman Section, Woodman Rd)*

On December 16, 2023 South Buxton Cemetery will participate in Wreaths Across America. We will once again join more than 4,000 participating locations around the world to simultaneously hold a wreath laying ceremony in support of the mission to Remember, Honor and Teach of the ultimate sacrifice made by United States veterans. Our goal this year is to place 550 wreaths for veterans resting at the South Buxton Cemetery Beginning at 9:00 AM, volunteers are invited to gather at the office on Rte 112 to pick up wreaths and then place them on veterans' stones throughout the cemetery. At 11:45 AM participants will gather at the Woodman section for the Memorial Wreath Ceremony. This simultaneous ceremony will commence at 12:00 PM. Please check the web page - [southbuxtoncemetery.com](http://southbuxtoncemetery.com) for updates and join Buxton community members at this unifying event.

Please help keep this tradition and spirit alive by donating to this year's Wreaths Across America program. You may designate where your donated wreaths are placed or wreaths will be randomly placed. Thank you again for participating in this truly unifying community event!

Sincerely, Richard "Sandy" Atkinson
